

## Ann Donner

*Ann Donner has more than 20 years experience managing complex public/private projects and initiatives. During the course of her career, she has spearheaded \$300 million in successful city planning, public space usage and real estate projects; raised millions for various clients and organizations; and managed budgets of up to \$8 million. Ms. Donner is particularly adept at creative problem solving, and at building consensus among diverse interests in the public, private and nonprofit sectors.*

### **Areas of Expertise**

#### *Nonprofit Administration*

- Served as the executive director of two nonprofit organizations and as a consultant to nonprofits.
- Reversed deficits and diversified funding opportunities.
- Improved organizational performance; board and membership participation; and staff morale.
- Measurably increased organizational visibility and influence.
- Raised millions from private gifts, foundations, special events and government sources.
- Developed business plans and budgets.
- Led strategic planning efforts.
- Managed marketing and communications efforts.

#### *Urban Planning*

- Experience overseeing and facilitating public participation on major urban planning projects.
- Managed interdisciplinary teams of design, urban planning, environmental and transportation consultants for the development of new roadway designs and a pedestrian accessibility plan.
- Created a model for and facilitated consensus on complex public projects with multiple constituencies.

#### *Public Policy*

- Designed and organized over 100 public policy forums on transportation, infrastructure and community issues.
- Served as Commissioner on the Boston Employment Commission for four years.
- Played a key role in designing and implementing citywide employment, training and recruitment program for thousands of Boston residents.

#### *Health Care*

- Former director of program development for the largest hospice provider in Massachusetts.
- Designed, developed, and managed new patient care programs, including a palliative care consultation service in hospitals and long term care facilities; and an operations plan for 12-bed hospice residence.
- Board member of a statewide coalition on improving end-of-life care.

#### *Real Estate Development/Project Management*

- Experience securing public approvals including land transfers, licenses, zoning variances and design reviews.
- Provided oversight and management of \$500,000 marketing effort.
- Spearheaded funding and public approvals for \$2.7 million outdoor civic space completed on time and on budget.
- Led interdisciplinary teams of design professionals, urban planners, transportation consultants and construction managers.
- Handled comprehensive government and community relations efforts.
